	Sailfish (east)				East stock - 2021 catch was 1523 t (trigger 1271t). East has surpassed trigger

	Sailfish (west)				West - 2021 catch was 821 t (trigger is 1030 t).
	Porbeagle?		Bryan		2014 values are 5, 35,38, 0 and 0 (for ANE, ANW, ASE, ASW and Med, respectively). 2021 are 5,10, N/A,N/A, and 0. So the NE/NW are okay. There are some NCOs that did not report in 2021, but otherwise the south is "okay" too (0s across the board for all who reported). *** ANE is at the trigger
