FISHERY MANAGEMENT COUNCIL

# Deep Sea Corals Amendment

DEAR CHAIRMAN ROBINS AND COUNCIL MEMBERS,

I just visited the New York Aquarium and learned about the beautiful deep sea corals we have in our ocean backyard. Please do everything you can to protect these animals and the places where they live in the Mid-Atlantic.

TELL US WHY YOU CARE ABOUT CORALS: I care about coral because they are special in their own way and not because of there beauty. P.S Help <sup>and</sup> care makes you cool.

TELL US WHY YOU CARE ABOUT CORALS:

Corals are important to marine life. Fishes need them as well as the ocean.
